Membership Payment Options

You can choose the payment method that works best for you.

Cash/Check

Major Credit Card

Bank Draft

Payments can be made annually or semi-annually. Automated monthly drafts can be established from checking, savings, credit cards, and credit union accounts.

Joining Fee

The YMCA believes that members are co-owners of the organization. As co-owners each member is asked to pay a one-time joining fee as a mission investment fee. These dollars are primarily used for non-expansion capital improvements like new equipment, building repairs, and preventive maintenance.

The Y.O.U.R. Plan

The YMCA of the Golden Crescent actively seeks to identify and involve those in need. The Y.O.U.R. (Your Own Unique Rate) is an income based membership structure with a sliding fee scale. For more information contact the Welcome Center staff.

A.W.A.Y. Program

Don't leave home without your YMCA membership card. The AWAY logo on the back is accepted at 95% of the YMCAs across the country. Simply present your card at participating YMCAs for access to their facilities. Some YMCAs may charge a nominal fee. An AWAY directory is available on the web at ymca.net.
